

**'Kift Lodge', Abbeyfield Supported Sheltered Housing, Hanham, Bristol**

'Kift Lodge' is a new purpose built facility serving older people in South Gloucestershire for Abbeyfield Bristol Society.

The timber frame project at Memorial Road, Hanham, saw the development of 19 en-suite units: 4 x studio flats and 15 x one bedroom flats, together with staff accommodation. Communal areas are light and spacious, linked by enclosed glazed walkways.

'Kift Lodge' has been constructed over two floors, providing residents with an IT room, hairdressing and chiropody suite, communal dining and sitting room.

Initial works included the demolition and removal of an existing property, together with various outbuildings.

**Value: £2.1m**

**Client: Abbeyfield (Bristol) Society**
